

Martin C. Step

3D Modeler / Texture Artist
PO Box 151152
San Rafael, Ca. 94915

(510)-205-7755
martystep@gmail.com
www.stepfxdesign.com

Objective: Highly motivated and determined to master 3D imaging. Efficiency and detail oriented, experienced balancing multiple projects, work best when under pressure, great problem-solving skills. Hard surface modeling and environment work has been my strongest skill.

Experience: 7 years graphics experience working freelance with the listed skill set below. I also have 15 years of audio and video editing working with Audio Kreme Recording. www.audiokreme.com

Skills:

Certified and trained in Lightwave 3D
Luxology Modo
Adobe Photoshop
Adobe After Effects
Adobe Premiere
Maya 7.0
Zbrush 2.0
Shake
Pro Tools
Sound Forge
VT Edit (Video Toaster)
Final Cut Pro

Education: 3D Exchange Animation Training Center

Excelled in Lightwave 3D. A Newtek authorized training center, I was trained and had interned with working professionals in the industry. I worked on house projects and had met criteria for deadlines. I learned production flow as well as team skills. Added extra help with Audio and Video editing when needed. I ran the local Lightwave Bay Area user group for enthusiast for 2 years. I am current with version 9.3 and am currently using Luxology Modo for most of my hard surface modeling.

Cleveland State University
300 Euclid Ave,
Cleveland, Ohio. 44115
Art / Illustration Program
Electronic Music Program

Employment: Working freelance graphics, previous clients have included, AVP. Digital Element, and Big Brother and the Holding Company.

Currently employed at the Marin Mac Shop maintaining Apple Macintosh computers. Certified in hardware and software repair.
